

PBN TRAINING

PERFORMANCE BASED NAVIGATION

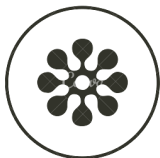

Since April 2016, the possibility to fly RNP (GPS) approaches is regulated by EASA document EU 2016/539. This means that every IR rated pilot needs to be trained and checked to fly such approaches, latest by August 2020.

Skywings Flight Training is one of the first ATO's in Belgium approved to conduct PBN Training.

ENTRY REQUIREMENTS

- PPL(A) or CPL(A)
- Valid IR(A)
- Valid ELP: English Language Proficiency

TRAINING PROGRAM

- 1 day Theoretical Training:
 - Morning: GNSS
 - Afternoon: PBN
- 1 Mission FNPT II simulator with minimum 5 RNP approaches.
- PBN check can be combined with yearly IR profcheck, or can be done separate on our FNPT II.

PRICING OVERVIEW

- 599 € incl VAT
- Pricing excludes: examination fees.
